

HINIKER

HOMEOWNER

FULL-TRIP POLY SNOWPLOW

- Fully hydraulic controls
- Low maintenance full-trip moldboard
- Exclusive Hiniker Quick-Hitch mounting system

Hiniker 700 Series

The Hiniker 700 series plow is designed for the light truck owner who wants to clear their own yard or driveway. Get the ease and convenience that Hiniker plows are famous for in a plow designed for most full-size ½ ton and compact four-wheel-drive trucks.

HINIKER HOMEOWNER POLY SNOWPLOW

Hydraulic scissors lift cuts transport bounce, eliminates lift chains.

6 Vertical and 2 diagonal ribs provide strength and support.

Full moldboard trip system helps protect plow and truck.

Low-maintenance poly moldboard surface reduces friction, never needs painting. Optional rubber or polyethylene snow deflectors.

Fully hydraulic lift and angling system.

$\frac{3}{8}$ " x 6" high-carbon steel replaceable cutting edge.

The compact joystick control puts full control of all plow functions in the palm of your hand.

QuickHitch MOUNTING SYSTEM

SPEED, EASE, & SIMPLICITY

The Hiniker Quick Hitch is the fastest plow mounting system available! The self-aligning drive-in mount lets you connect your Hiniker plow in seconds. This eliminates manually lifting, pushing, and pulling the plow into place.

- 1 Drive truck forks into plow receiver
- 2 Pull lever to lock plow to truck & raise stand
- 3 Plug in connections & you're ready to roll!

Reverse the process to disconnect the entire plow assembly just as quickly, leaving it ready for the next snowfall. Because Hiniker makes it so easy to disconnect your plow, you'll save weight and wear on your truck when the plow is not needed.

HINIKER Specifications:
